

"Lühikeste Meeste Kõrts" means "Short Mens Pub" in Estonian and the name refers to our unique convex ceilings from 1773.

In our pub we have 2 halls. Overall we can fit around 100 normal height guests.

You can contact us, to plan your wedding, birthday party or other important cause. We offer the best home-cooked meals and not so home-cooked drinks. You can contact Aivi (+372) 52 86 481, aivi(ät)pootsman.ee or other contacts found on our page.
